4-Door Gym Lockers

For the gym, at school, or at the office, and whenever you need extra space for multiple users, the 4-Door Gym Locker is your affordable storage solution.

Four spacious lockers are arranged in a compact 2 x 2 grid. They're perfect to store a change of clothes, keep valuables, and store other a variety of personal belongings short-term or long-term.

The locker is constructed with solid cold-rolled steel plate for excellent sturdiness and durability, not to mention an attractive look. The steel is also powder-coated to resist corrosion. The locker measures 180 x 76 x 45 cm, and the maximum recommended weight capacity is approximately 30kg per locker. Privacy and security are assured with a simple lock and key design. There are spaces designated for labels to help identify lockers, and air vents are built-in to assure sufficient ventilation. Each lock comes with 2 keys.

For even more storage, consider buying two or more units, which can be placed together for a fully customisable configuration.

A simple design makes assembly easy, and your locker could be up and ready in about 10 minutes. Full assembly instructions are included.

Don't delay; purchase your 4-Door Gym Locker today and take advantage of our everyday low price and fast order processing.
