

Three-Door Side by Side Office Gym Shed Storage Locker

Out of Stock: \$919.95

3-Door Side by Side Lockers

For educational institutions or for offices in need of ample and versatile storage space, we're pleased to present our 3-Door Side by Side Locker.

This three-unit locker features long side-by-side lockers. The generous dimensions of these lockers can accommodate a wide range of belongings, and is perfect for short-term as well as long-term storage.

The locker is constructed with solid cold-rolled steel plate for excellent sturdiness and durability, not to mention an attractive look. The steel is also powder-coated to resist corrosion. The locker measures 180 x 114 x 45 cm, and the maximum recommended weight capacity is approximately 30kg per locker. Privacy and security are assured with a simple lock and key design. There are spaces designated for labels to help identify lockers, and air vents are built-in to assure sufficient ventilation. Each lock comes with 2 keys.

For even more storage, consider buying two or more units, which can be placed together for a fully customisable configuration.

A simple design makes assembly easy, and your locker could be up and ready in about 10 minutes. Full assembly instructions are included.

Have a storage crisis? Solve it with the 3-Door Side by Side Locker. Order today.
