

Power Boxing Station Stand Gym Speed Ball Punching Bag

RRP: \$1,209.95

The incredible 3-in-1 Boxing Station offers multiple power-building and calorie-crunching exercises, and it's perfect for boxers in training and just about anyone wanting a fun, effective workout.

The Boxing Station measures 1400mm wide, 1500mm long, and 2150mm high — it packs a lot of punch in a small amount of space. Boxing-specific equipment includes a 30kg punching bag, a height-adjustable speed ball, and a dodge ball. But that's not all. Complementary workout options include a bar for dips and knee raises, a pull-up bar with multiple grip positions, and even bottom rollers for sit-ups.

All of the boxing equipment is constructed from extra-durable material that can take plenty of poundings. And the station is made from a strong RHS steel. This station can withstand anything you can throw at it.

Don't wait — order the 3-in-1 Boxing Station today and benefit from our speedy order processing and everyday low price.
