

DIY Outdoor Awning Cover -1.5 x 2m

Out of Stock: \$694.95

Add shade and an attractive structural touch to your exterior entrance or exit with the DIY Outdoor Awning Cover. As the name implies, this is a true do-it-yourself product: a detailed instruction manual is included, and all parts and accessories you'll need for a simple setup are included.

The awning is specifically designed to resist rusting and provide years of beauty. And if you happen to require wider awning coverage, this unit is compatible with other DIY BARILOCHE awnings.

Spruce up your outdoor area with ease with our DIY Outdoor Awning Cover.

Features of the DIY Outdoor Awning Cover:

- Do-it-yourself awning kit: all parts and accessories you need are included
- Awning dimensions: 1.5 x 2m
- 6mm clear grooved polycarbonate awning cover
- Specifically designed to resist weathering and rusting
- Detailed instruction manual included
- Install multiple awnings for wider coverage
- Includes all assembly accessories (one set includes 3 brackets, 2 pcs hollow sheet, 2 sets fixing bar, 6 installing screw and 6 small bolts)
