

Ab Back Crunch Abdominal Machine

RRP: \$779.95

Ab Crunch Machine (Seated position)

Our new AB Crunch Machine is compact and effective. It is designed for the home gym but is strong enough to use at the gym. The Ab Crunch Machine features heavy-duty, construction and high density foam padding wrapped in sewn rip-stop upholstery. The Ab Crunch Machine is built to take the punishment of the most rigorous of workouts. With its "Class A" rating, the Ab & Back Machine comes with a Lifetime Structural Warranty. It is unmatched in its class. The AB Crunch Machine will give you the solid and intense workout you want and will withstand the pounding of your workout regimen for many years to come!

The Ab Crunch Machine will help you reach your fitness goals and build your core ab and back strength. Its design allows you to enjoy a huge range of exercises including ab and back workouts as well as back rehab exercises! A fit and strong body starts at the core. Our Ab Crunch Machine helps you build that core strength, including ripped abs and powerful back muscles. The Ab Crunch Machine will work your upper and middle abs in multiple crunch positions as well as your upper, mid and lower back.
