

4 Tiles EVA Fitness Home Gym Interlocking Floor Puzzle Mat

RRP: \$79.95

Use our fantastic interlocking floor mat set and you'll work out in comfort with no worries about damaging the floor!

This tough and sturdy floor mat set has long-lasting durability. The floor mats are light in weight and easy to transport. You can instantly turn anywhere you go into your private gym or kids' playroom. Connected together the mats are generous in size, covering a 1.5m square area. The interlocking mats allow you to link additional sets making your workout area as large as you need.

There are four separate pieces to each set and assembly is a snap. The mats are 1.3cm thick and can stand up to the heaviest home gym equipment including ellipticals, treadmills, stationary bikes and weight benches. And, there won't be one mark on the floor when you're done!

These versatile floor mats are perfect for the home gym, martial arts training and for temporary play areas for kids.
