

Queen Metal Bed Frame - Bedroom Furniture

RRP: \$359.95

Another fantastic item from Salvatore Angelotti. The Steel Queen Bed Frame with Black Finish is a winning addition to your bedroom, combining modern elegance with smart affordability. A sturdy steel construction gives you the durability you deserve, while a stylish powder-coated black finish provides a sophisticated but neutral look that will fit into a wide variety of existing decors. And the bed frame is easy to assemble with simple instructions included.

Designed for a queen-sized mattress (which is not included), the bed frame is designed in a classic yet contemporary style ready to complete your bedroom.

This item can be assembled in 10 minutes (assembly instructions provided) and takes up very little room when disassembled and stored.

Simple and tasteful, and at a price that's right, the Steel Queen Bed Frame with Black Finish is where style meets sweet dreams.
