

8L Concealed Benchtop Bin

RRP: \$124.95

Once installed within the benchtop, the concealed bin provides easy access and great convenience when it comes to waste disposal.

This bin also allows for easy cleaning! Simply remove the bucket to empty the rubbish and rinse the bucket to clean. The removable bin and the stainless steel rim and lid make cleaning easy.

The concealed design creates a seamless look for your kitchen and benchtop by keeping the waste concealed under benchtop. With 8L capacity, the unit is great for daily use either for a family or office environment.

Specifications:

- * Compact 8L capacity
- * Benchtop cut-out bin to provide great access and convenience
- * Concealed design to keep the benchtop tidy and clean
