

Deluxe Automatic Swimming Pool Cleaner -For Above & In-Ground

Out of Stock: \$399.95

Keep your pool area tidy — the easy and affordable way — with our In-Ground and Above-Ground Swimming Pool Cleaner.

With a full 12-meter hose, this swimming pool cleaner is ready to tackle your large in-ground or above-ground swimming pool. You'll never stress about not having enough hose length. A diaphragm design and hydrodynamic circular disk combine strong adhesive scrubbing with strong suction for an unparalleled level of cleaning power. All accessories you need are included and assembly as well as operation are straightforward with easy-to-follow instructions.

This durable cleaner is suitable for a variety of surfaces, including tile, concrete, fibreglass, vinyl, quartzon and pebblecrete.

Your pool is a significant investment, and it deserves to look its best. Keep it looking great with the In-Ground and Above-Ground Swimming Pool Cleaner.
