

4 x 4" Heavy Duty PU Swivel Castor Wheels With Brake

RRP: \$84.95

These 4" x 4" heavy-duty polyurethane double-bearing brake swivel castor wheels from Randy & Travis Machinery are just what you need for your trolleys and workbenches.

With a 550-kilogramme brake load, these 100-millimetre professional-grade wheels are just what you need for your trolleys and workbenches. These wheels won't mark your floors, thanks to the polyurethane wheels. Duplex-bearing construction makes rolling effortless. Two wheels have foot pedal locking brakes for easy stops and loading.

For sturdy wheels that can stand up to the load but won't mark your facility's floors, buy this set of four brake swivel castor wheels today.
