

Black Tree of Life Wall Art Hanging Metal Iron Sculpture Garden 99cm

RRP: \$269.95

A stunning piece of metal wall art, this 99-centimetre black Tree of Life Sculpture from Randy & Travis Machinery will become the focal point in your home or garden. This huge, round sculpture speaks to the renewal of life that trees symbolize every year.

Filled with spiritual symbolism as well as that from nature, its black design contrasts beautifully with lighter neutral backgrounds for an eye-catching centrepiece.

Made from high-quality metal and set in a solid, round black frame, this versatile sculpture works well both inside and out.
