

230mm Training Cones Set Witches Hat Football Soccer Rugby Traffic

RRP: \$49.95

Training for rugby or football is a breeze with these 230-millimetre training cones from Randy & Travis Machinery. This eight-cone set allows you to run patterns, practice footwork, or weave in and out of the cones to hone your agility.

In bright colours with stable, square 'witch's hat' bases, these cones will hold up to even the most demanding practice conditions while providing high visibility to help players judge distances.

Whether you're a coach or a player, you'll appreciate the bonus mesh carry bag. No awkward lugging cones around to the car or back to the locker room. Just stack them, put them in the bag, and go.

Package includes 4 x Yellow and 4 x Orange cones.
