

4 X 5" Heavy Duty 400kg Swivel Castor Wheels Trolley Furniture Caster All
Brake

RRP: \$104.95

When you have furniture that's near-impossible to move without throwing out your back, try these heavy-duty swivel trolley furniture castors with 400-kg loading capacity from Randy & Travis Machinery. With their extra-large size (4 inches x 5 inches), these swivel castors can handle even your largest pieces of furniture and equipment with 360 degrees of rotation for easy movement around tight corners.

Their no-slip construction ensures that they'll stay in place as you move your furniture from one place to another, yet with no annoying squeaks to irritate your fellow workers or household members, thanks to their shock-absorbent rubber construction. Inbuilt brakes on each castor give you control, even on inclined surfaces.

Made from the finest rubber and steel, these durable castors should provide years of service. Order yours today.
