

Pull Out Bin Kitchen Double Dual Slide Garbage Rubbish Waste 10L+20L

RRP: \$359.95

Tired of the rubbish bin in the corner of your kitchen? This convenient pull-out rubbish bin from Randy & Travis Machinery fits neatly inside your cabinetry, hiding your rubbish while giving you more floor space in your kitchen.

This 10-litre plus 20-litre size is perfect for 300-millimetre cabinets. Made from white plastic for easy cleaning, this bin features a metal frame for sturdiness and durability. Two bins allow you to sort your rubbish for recycling or by type.

Install it under your sink or a nearby cabinet for a neat, elegant solution to your rubbish disposal challenges. Get yours today—and get organised!
