

Quick Release Soft Close Toilet Seat White Bathroom Heavy Duty

RRP: \$84.95

How many times have you told the kiddies, 'Don't slam the toilet seat down!' With this soft-close toilet seat from Randy & Travis Machinery, you can save your vocal cords for more important things. With its quiet, slow-closing seat mechanism, your toilet seat will close gently, preventing premature breakdown from wear and tear.

That's not all this fine toilet seat can do. With its one-button easy release mechanism, you can remove the seat easily to clean all around it—even those places you find hard to reach with normal toilet seats. Its universal sizing fits almost any standard toilet, while its adjustable stainless steel hinges are built to last.

Crafted in a pleasing oval design, this white toilet seat will blend into the design scheme of any bathroom or powder room. Its tough Thermoset plastic construction ensures that it will last endure for longer, even with heavy use.

Features and specifications:

- Material: Thermoset plastic
- Hinges: Adjustable stainless steel
- Shape: Oval
- Size: Universal for standard toilets
- Soft-closing mechanism with shock absorbers for quiet, no-slam closing
- Easy release for spotless cleaning
