

Wood Pendant Light Bar Black Lamp Kitchen Modern Ceiling Lighting

Out of Stock: \$74.95

If you love contemporary design with an industrial chic vibe, this stunning wood and metal pendant light from Palermo makes the perfect addition to your kitchen, lounge room, or bar décor. No worries about flying champagne corks hitting the bulb during holiday parties. As practical as it is beautiful, this lamp's metal cage protects your light bulbs from accidental breakage.

Its neutral black colour blends well with both vintage and contemporary décor, while its timber accent adds a natural touch. Compatible with both LED and halogen bulbs, this 40-watt light provides a wonderful ambience as its subtle glow warms your room. Its clean, unfussy lines make it the perfect lighting solution for mid-century modern or rustic décor.

Great design doesn't have to be delicate. With this light, you can have both durability and good looks so order yours today!
