

1500ml Shower Liquid Soap Body Lotion Gel Shampoo Bathroom DISPENSER

RRP: \$139.95

Tired of bottles crowding your shower shelves? When you install this 1500-millilitre shower dispenser from Randy & Travis Machinery, you can have shampoo, conditioner, and body gel (or liquid soap) in one neat wall dispenser.

With its sleek, ergonomic design, this shower soap dispenser looks great in your shower. Install another one near your sink and keep your benchtops free from clutter. With three separate canisters attached to a single bar, the dispenser can store three different kinds of soaps, shampoos, lotions, or gels.

Crafted from stainless steel, this dispenser has a minimalist, contemporary look that's perfect for any room with running water. If you have stainless steel appliances in your kitchen, install this by your kitchen sink for a bespoke look. Install it near your home bar to keep cleaning liquids handy in case of spills.

With its striking good looks and convenience, this dispenser is an indispensable accessory for your kitchen, bathroom, or bar. Order yours today.
