

Palermo Queen Size Wall Bed Mechanism Hardware Kit Diamond Edition

RRP: \$1,259.95

Palermo Queen Size Wall Bed Mechanism **Hardware Kit Only** (Mattress and Cabinetry and Bedding etc are NOT included)

Bring new life and purpose to your spare room! This great queen size wall bed hardware kit can turn your home office into a guest bedroom in seconds - just add the cabinetry of your choice!

What a waste to take up all the space in your extra room with a double or single-sized bed! At least fifty percent of your room is taken up all year by an object that will be used only a handful of times.

This amazing Wall Bed is versatile and not limited to just extra bedrooms. It can be strategically placed in a large hall, the living room or the study. The bed can stay neatly tucked away in the cabinet of your choice (not included) until you need it.

Order this fabulous wall bed to turn your extra room into an extra-special room!

Features:

- Steel construction with powder coated finish in black.
- High quality slats
- Front bed leg doubles as mattress holder when closed
