

Palermo Single Size Wall Bed Diamond Edition

RRP: \$2,544.95

Bring new life and purpose to your spare room! This great single size wall bed can turn your home office into a guest bedroom in seconds.

What a waste to take up all the space in your extra room with a double or single-sized bed! At least fifty percent of your room is taken up all year by an object that will be used only a handful of times.

Installing one of our fantastic wall beds is the solution. It will allow you to use the space as a game room, workout room, library or home office. When you have an overnight guest, there is no scrambling to rejigger the space into a guest bedroom. You just open the attractive cabinet and pull your guest's bed into place in one motion. Your guest will enjoy a great night's sleep!

This amazing Wall Bed bed is versatile and not limited to just extra bedrooms. It can be strategically placed in a large hall, the living room or the study. The bed stays neatly tucked away in the stylish cabinet until you need it.

This Palermo Single Sized Wall Bed is extremely sturdy and weighs approximately 114KG (excluding mattress). Be sure to do your research to ensure you don't purchase a similar looking model (e.g. other online sellers having ones that weight approx 130kg including mattress) that doesn't live up to Palermo's quality.

Order this fabulous wall bed to turn your room into an extra-special one!
