

Large Vintage Wall Clock Kitchen Office Retro Timepiece

RRP: \$54.95

Add a touch of vintage class to your kitchen, living room, hotel lobby, café, or dining room with this gorgeous Roman numeral clock from Randy & Travis Machinery. With its distressed, parchment-paper look, it gives your room an instant sense of gravitas.

Crafted from high-quality MDF and manufactured wood, this clock is as durable as it is beautiful. With this timepiece, you get Old-World charm with modern dependability. Its French inscription, 'Café des Marguerites' turns your room into a French café from yesteryear. Hand-crafted by traditional artisans, no two are alike. Its character and heirloom quality make it a piece your family will treasure for generations.

Easy to read from even far away, the Roman numerals provide you with accurate time while adding to the vintage character of the piece. It's easy to install and easy to maintain. Simply replace the AA batteries when they stop working and give it an occasional wipe with a damp cloth to keep it in great shape for years to come.
