

Memory Foam Dog Bed 12CM Thick Large Orthopedic Dog Pet Beds Waterproof Big

RRP: \$254.95

Just like people, dogs often develop orthopaedic issues as they age. Whether it's arthritis or the hip dysplasia that's so common in many large breeds, it helps to have a supportive bed for your dog to rest on, like this cosy memory foam by Palermo. With its 12-centimetre thick mattress made from high-density memory foam, high density foam, this waterproof bed is perfect for large dogs, providing your pet with world-class comfort that won't go flat, even under daily use.

Made with human-grade material and craftsmanship, this bed will pamper your pup as he or she deserves. Memory foam's temperature sensitivity gives it the ability to conform to the exact contour of your dog's body, giving your dog a near-custom bed. You know your pet deserves the best. Order your dog's mattress today.
