

Dual Elevated Raised Pet Dog Puppy Feeder Bowl Stainless Steel Food Water Stand

RRP: \$104.95

Raised dog bowls, as most veterinarians will tell you, reduce strain on your dog's neck, joints, hips, and shoulders. These raised dog bowls by Randy & Travis Machinery don't just keep your precious pet healthier, but they also give your home a pop of designer cachet. Crafted from on-trend matte black iron, the pretty stand showcases the shiny stainless-steel bowls. Gracefully curved iron arches provide strength and supports, while a solid, non-slip base keeps the bowls firmly in place.

Sturdy and durable, this raised dog bowl set is as practical as it is pretty. Easily removable bowls make both them and the stand easy to clean and fill. With a huge capacity of 2.4 litres per bowl, your pampered pup won't go hungry, even if you have to stay late at work. Keep your dog healthy and happy while making your home look great.
