

3 Tiers Food Trolley Cart Stainless Steel Utility Kitchen Dining Service

RRP: \$184.95

If you have a restaurant, bar, café, or club, this three-tiered stainless-steel trolley from Randy & Travis Machinery is a must-have for your business. Perfect for cleaning up tables or serving large tables, this sturdy cart can serve a wide range of uses. In addition to commercial applications, it's a handy tool to have around the home when you're serving a crowd. You can even use it as a spare table for buffet dinners! With its neutral mocha and silver colours, it will blend into the décor of your restaurant or home seamlessly. Its streamlined profile will look great in any restaurant or home.

Its sturdy construction and locking wheels ensure against accidental bumps knocking food and dishes to the floor. Two handles provide extra control. With three tiers of shelves, you can feed a crowd – or clean up after them without time-wasting return trips, saving you or your waitstaff valuable time. Don't waste a minute more on extra trips to the kitchen. Order your kitchen trolley today!
