

Wallpaper Silver Flower Pattern Non-woven Wall Paper Roll

RRP: \$54.95

Channel the elegance of yesteryear when you paper your room in this exquisite silver damask wallpaper from Randy & Travis Machinery. Perfect for a dining room, a formal living room, or even in your bedroom, this stunning wallpaper will make your rooms look like they belong in a mansion. Its timeless beauty creates a traditional look, even in the most modern of homes. Use it as an accent wall or paper your entire room to give your room the look of a turn-of-the-century salon.

Crafted from non-woven fabric, this wallpaper is as durable as it is gorgeous. Its 3D textured look gives it the illusion of depth. The extra-thick vinyl material makes it easy to clean and care for. Be sure to buy enough to complete the entire room since each batch varies slightly by colour. Set the stage for elegant living in your home. Order your wallpaper today.
