

Wallpaper Faux Vintage Brick Pattern Wall Paper Roll

RRP: \$59.95

Want to add a vintage vibe to your home? This gorgeous dark grey brick wallpaper by Randy & Travis Machinery will give your home the weathered, aged look you crave. Its neutral tones blend well with your home's existing décor, making it the perfect choice for an accent wall. Its 3D textured surface creates the illusion of real bricks. Coated in waterproof vinyl, this wallpaper is easy to clean – and easy to remove if and when you want to change your room's décor again.

If you want to paper the entire room, be sure to order all you need at one time so they come from the same batch, ensuring colour conformity. Each roll is 53 cm wide and 10m long, covering 5.3 square metres in total. It's not pre-pasted, so be sure to buy some wallpaper paste to apply it to your wall. Now's the perfect time to give your room a taste of vintage chic with this lovely wallpaper. Order yours today!
