

60x80cm Outdoor Umbrella Stand Base Sand/ Water Pod Round Portable Grip

RRP: \$254.95

Shield yourself from the hot summer sun with this sturdy outdoor umbrella stand by Randy & Travis Machinery. Using your choice of either sand or water to anchor it to the ground or another surface, such as a concrete patio, you can take this portable stand wherever you go.

Never worry about too much sun exposure again. With your outdoor umbrella tucked into this stand, you can take shelter from the sun's intense rays. Its black colour blends into the background so that it looks great no matter how many times you change the patio furniture cushions.
