

Storage Shelves Shelf 3 Tier Rack Portable Laundry Stand Unit Organiser

RRP: \$99.95

If storage space is at a premium in your laundry room, this three-tier laundry storage rack by Randy & Travis Machinery is the perfect solution. Fitting right over your washing machine, it takes up no extra space, but provides three generous levels of storage space for laundry supplies, folded clothes, towels, baskets, or whatever you need to store. With a maximum load per tier of five kilogrammes, you can store a wide range of items and supplies.

Crafted from strong, durable stainless steel tubing with waterproof connectors and panels, this laundry rack is built to last. Anti-slip foot pads keep it in place, even on a slippery floor. Wall tie holders provide extra stability. It's a breeze to clean – virtually maintenance-free. No worries if you're not an avid DIYer. It's easy to install, even if you don't own any tools. All you need comes to your door in one package – even a pair of gloves to protect your hands from calluses. So, don't wait to give yourself more space for things you love.
