

WELS 8" Rain Shower Head Set Square Dual Heads Faucet High Pressure Hand Held

RRP: \$659.95

Another fantastic product from DELLA FRANCESCA comes in this fully Australian Certified Quality Bathroom Shower COMBO at a fraction of the price of other retailers! No matter the design of your bathroom - this unit will add a touch of sophistication and elegance that you will adore time and time again.

The Della Francesca All-in-One Shower Set is a modern marvel for your bathroom, and it's sure to deliver a truly transformative shower experience. Use the wand like a traditional shower head by keeping it on its wall bracket, or take it off for an invigorating customised shower thanks to a flexible cord. The choice is up to you.

Whether it's a new bathroom or a refreshing renovation, this all-in-one set is a terrific addition. It's designed and manufactured by Della Francesca, a leader in quality plumbing products for the home. And this set is even smart for the environment (and for your water bill). It's WELS-rated for 3 stars and a water efficiency of 8.08 Litres per minute.

Don't compromise and don't settle for the ordinary when it comes to your next shower. Order your Della Francesca All-in-One Shower Set today for a fraction of what you'd pay for similar products with other online retailers.
