

Cat Cardboard House Tree Tower Condo Scratcher Pet Post Pad Mat Furniture

RRP: \$194.95

If you have a cat, you know that cardboard boxes are their favourite place to be. The minute a package arrives at your door, they're ready to hop right in after you unpack the merchandise inside. With this cardboard cat condo from Randy & Travis Machinery, your cat can have a whole cardboard hideaway to keep him busy for hours, waiting behind the door for the next bird to appear at your window. No worries about the environmental impact of this kitty penthouse. Its cardboard walls are crafted from all-natural, sustainable material – compressed for extra strength.

Whether your cat prefers to lounge around on the roof or hiding in wait for a mouse to happen by on the first floor, she'll have a sturdy, lightweight spot to chill out. Multiple scratchboards let her sharpen her claws in style. With these scratchboards, she'll never have to use your furniture as her nail sharpener. An adorable cat face-shaped entrance door makes sure everyone knows just whose home this is. Pamper your kitty with a house of her own. Order your cat condo today!

Features and specifications:
