

## Mid-Century Floor Lamp Modern Tripod Decor Living Room Standing

RRP: \$204.95

Love Mid-Century Modern, or do you tend to go for a contemporary minimalist vibe? This gorgeous tripod floor lamp by Palermo is the perfect accessory to make your room come alive with your favourite look. With its oh-so-atomic drum shade perched on three legs, this lamp channels the “Sputnik” look that was so popular in the late ‘50s and early ‘60s. Done in black metal with a textured ivory fabric shade, this lamp is a study in contrasts with its clean, contemporary aesthetic.

Brighten up your favourite reading corner when you put up this lamp by your reading chair. With its warm glow, it welcomes you and your guests to relax and enjoy life. Or, pair them in your foyer for a dramatic entry. In your living room or office, this lamp makes a dramatic statement when you pair it with retro or reproduction Mid-Century furniture. It's perfect for your rumpus room, too, giving it a whimsical touch – or put it in your bedroom to create a private reading nook. Don't wait to give a little more glow to your life. Get yours today!
