

Chrome Bathroom Shower Wall Mixer w/ WaterMark

Out of Stock: \$124.95

Great looks and a great value. Della Francesca is known for both, and they don't disappoint with their Ultramodern Shower Mixer.

This shower mixer features clean, simple lines that will be right at home in a variety of decors. You just can't go wrong with this look. And with its brilliant chrome finish and solid brass construction, this mixer will serve you exceedingly well for years to come.

But great looks aren't all you'll receive with your purchase. This mixer comes with Australian Watermark Certification, which identifies quality plumbing products which comply with AS/NZS 3718:2005. You know you're getting a dependable mixer for your renovation or new bathroom.

The Ultramodern Shower Mixer is one more great product from the industry leaders at Della Francesca. Buy today and save today with our everyday low price.
