

2-Door Vertical Locker for Office Gym Shed School Home Storage

RRP: \$399.95

A great solution for those places where you need extra secure storage, the all-steel 2-Door Storage Locker is an attractive and durable addition to home, school, or office. The two vertically-stacked lockers provide ample room for any number of personal belongings, from textbooks at school to office supplies at work and anything in between.

The locker is constructed with solid cold-rolled steel plate for sturdiness and durability and comes with a padlock-operated lock for worry-free storage. The steel is also powder-coated to resist corrosion. The locker measures 180 x 38 x 45cm, and the maximum recommended weight capacity is approximately 30kg per locker. There are spaces designated for labels to help identify lockers, and air vents are built-in to assure sufficient ventilation.

For even more storage, consider buying two or more units, which can be placed side by side where you need them.

A simple design makes assembly easy, and your locker could be up and ready in minutes. Full assembly instructions are included.

For a handy place to store most anything that won't take up too much room, consider the 2-Door Storage Locker for you, your employees, or your students.

Features of Padlock-operated Lock:

For superb security for yours or your customers' belongings, you can't go wrong with this tough padlock-operated lock by Salvatore Angelotti. Crafted from durable metal, it's sturdy enough to hold up under even constant use. It's easy to operate – simply take the open padlock, slide it down into the lock mechanism, and swing it closed. It's every bit as break-in resistant as it looks.

It's also moisture resistant, thanks to a finish that makes it an excellent solution for storage in gyms and swimming pools – anywhere where moisture is an issue. Heavy-duty metal makes it nearly impossible for

would-be thieves to crack. It's the perfect lock for lockers in hotels, offices, factories, or even at home. Use it in your garage with its matching locker to stash expensive tools or in a wardrobe to keep coins, jewellery, and other valuables safe. Keep your customers' belongings – and your own – safe and sound. Order your lock today!

Note: Padlock itself is not included. Locker assembly required; instructions and hardware included.
