

4 Door Locker - Office/Gym

RRP: \$409.95

Slim and versatile, the 4-Door Storage Locker gives up to four people the ability to store personal belongings at work or at school. It may just be the storage solution you've been looking for.

Four vertically-stacked lockers provide a good amount of room for small personal belongings, purses, textbooks, office supplies, and much more. This comes with 4-digit combination lock to ensure safety of your items.

The locker is constructed with solid cold-rolled steel plate for excellent sturdiness and durability, not to mention an attractive look. The steel is also powder-coated to resist corrosion. The locker measures 180 x 38 x 45cm, and the maximum recommended weight capacity is approximately 30kg per locker. There are spaces designated for labels to help identify lockers, and air vents are built-in to assure sufficient ventilation.

For even more storage, consider buying two or more units, which can be placed side by side where you need them. A simple design makes assembly easy, and your locker could be up and ready in minutes. Full assembly instructions are included.

The 4-Door Storage Locker will offer plenty of functional storage to satisfy your multi-user storage needs. Take advantage of our low everyday price and buy today!

Features of 4-Digit Combination Lock:

When airtight security is a must, this four-digit combination lock by Salvatore Angelotti is the perfect choice. With 10,000 different combinations, trying to crack the code will be a near-impossible task! Each order comes with a master key, so you can gain access even if a user forgets the combination. Crafted from heavy-duty premium metal, this lock is sturdy and durable, making it super tough to physically crack. Moisture- and corrosion-resistant, it's an excellent lock for lockers in locker rooms with water features.

It's the ideal option for lockers in gyms, schools, hotels, offices, and other

workplaces. Use it on lockers in your garage to secure valuable tools or even in a wardrobe to keep coin collections, jewellery, or other valuables safe inside your home. Simply store the key in a secure location, and you'll have rapid access to items inside the locker if the user leaves or can't remember the combination. Keep your customers' belongings secure.

Note: Each order (not lock) comes with one master key only, regardless of how many different locker units, quantities or combinations purchased. A master key is sensitive in nature. An additional master key can be purchased on special order only. Locker assembly required; instructions and hardware included.
