

## Indoor Practice Putting Green 2.5m Mat Inclined Ball Return Fake Grass 2 Holes

RRP: \$254.95

If you love golf, there's nothing like putting practise to put the finer touches on your game. With this indoor/outdoor putting green from Randy & Travis Machinery, even rain won't keep you from honing your putting technique. Whether you're a beginner or experienced golfer, this training green will challenge you to fine-tune your skills. With two different-sized holes, you can practise a variety of approaches to mimic real-life situations on the greens.

No worries if you miss a putt. The gravity-powered ball return sends your ball rolling back to you. A white guide line helps you focus on adjusting your swing so you won't miss the next time. Crafted from high-quality plastic and all-weather artificial turf, it can hold up under anything Mother Nature can dish out. Use it in your office or even in your living room. Just roll it up and store it in a wardrobe when guests arrive. Take it along when you're on holiday so that you can warm up before you play a round with your mates. It's an ideal client gift for businesses, or the golf aficionados in your life — adults or children. Order yours today!
