

Modern Wall Clock Silent Non-Ticking Quartz Battery Operated Gold

RRP: \$54.95

When you want to know the time – but want to do so in style -- this stunning round Gold / Rose Gold wall clock by Randy & Travis Machinery is the perfect solution. Its sleek, numeral-free lines make it look like fine artwork, yet it tells the time with complete accuracy. Crafted from high-quality materials, it's as durable and care-free as it is beautiful. Its large display and striking lines make it the focal point of any room, while its neutral Gold / Rose Gold colour takes centre stage without clashing with your colour palette.

Since this wall clock is battery powered, it keeps on going even during power outages. Its quartz movement ensures superb accuracy – so you'll never be running late. It's a great choice for your kitchen, living room, study, or bedroom – or even in your office at work. Its minimalist profile blends with a wide variety of décor. Its thick frame adds depth, drawing your eye to its beauty. It's an ideal gift for weddings, housewarmings, birthdays – or as a holiday gift for someone special. Don't settle for a boring wall timepiece when you can have a work of art. Order yours today!
