

Kitchen Swing Pull Out Bin Stainless Steel Garbage Rubbish Waste Trash Can 14L

RRP: \$159.95

If you're like most Australians, you want to keep your kitchen rubbish bin out of sight. Avoid embarrassing odours and a messy look when you hide your rubbish away in style with this stainless steel dustbin by Randy & Travis Machinery. Its sleek, streamlined design looks pretty enough to display, but it fits neatly inside most kitchen cupboards. It holds 14 litres of rubbish, so you won't have to make as many trips outside to empty it. It swings outward, allowing you to retrieve the liner – and the rubbish inside – quickly and easily.

This rubbish bin is easy to install and easy to care for. Its rugged ABS liner makes clean-up a breeze, while the stainless steel bin is built to withstand heavy everyday use. It's the perfect solution for smaller kitchens, allowing you to stash it away for a neat, uncluttered look. It's the perfect solution for your kitchen rubbish – and it makes a wonderful gift for housewarmings, weddings, or even for the holidays. Order yours today!
