

Photo Frames Collage Black A3 Picture Frame Wall Set Home Decor 3PCS

RRP: \$74.95

When you take the perfect picture, you want a frame that will showcase your artistry. Whether you're an amateur photographer or a collector of fine art, these gorgeous frames by Randy & Travis Machinery make the ideal setting for your collections. This three-piece set of frames allows you to hang three of your finest A3 photos or other, similarly sized artwork in a sleek black frame contrasted with a white mat. With these frames, you can create a gallery-worthy display from your photos. The ideal set for above the sofa or mantel, these neutral frames blend well with any colour scheme.

Suitable for both portrait and landscape orientation on your wall, these frames accommodate a wealth of arrangements. Whether you choose to display them parallel to each other, or in a diagonal, more contemporary arrangement, your photos will look fabulous on your wall. Acrylic glass covers preserve your photos' beauty for a lifetime. Moisture-resistant hardboard backing keeps your photos in perfect condition.
