

Kids Table and Chairs Play Set Toddler Child Toy Activity Furniture In-Outdoor

RRP: \$254.95

Kids love having a kid-size table all their own where they don't have to stretch to reach the floor and table. This child-size plastic table and chairs set from Randy & Travis Machinery is made to order for the holidays, birthday parties, playing games, reading, putting together puzzles, or playing with toys. With its bright colours and just-right size, it even makes doing homework fun! Don't forget picnics. This table is just as fun outdoors as it is inside. It's not only a great idea for a holiday gift – but it also makes a fantastic addition to your rumpus room. For daycare facilities, nurseries, and paediatricians' practices, it's a must-have.

Crafted from colourful, water-resistant plastic, this play table is built to last. It's easy to assemble, easy to clean, and will hold up under even the roughest play. When the kiddies grow up, it's easy to disassemble and save until your kids have kids of their own. Even though this set is as tough as they come, it won't leave marks on your flooring, even if your kids decide to scoot their chairs across the floor. Make your kids' or grandkids' day – get them this colourful kids' table and chairs today!
