

Octagon Tumbler Gymnastics Mat Exercise Floor Dance Yoga Training

RRP: \$714.95

If you have kids who love gymnastics, you'll make their day when you unpack this octagonal tumbler by Randy & Travis Machinery. Crafted using only the highest quality vinyl, these tumblers are the number-one choice for gymnastic coaches all over Australia thanks to their durability and safety. Cushioned foam inside provides a safe, forgiving surface for practice.

These octagon-shaped tumblers make the perfect teaching aid for gymnastics studios, especially for beginners. Use them to teach and perfect forwards and backwards skills, such as handsprings and walkovers, as well as tick-tocks, oversplits, and leaps. They're extra-sturdy and built to last for years – even under heavy everyday use. Imagine the joy when your budding gymnast opens up a beautiful birthday or holiday gift and discovers one of these tumblers inside. Make special days even more special for your child with this professionally designed tumbler. Order one for your child today.
