

Four-Door Office Gym Shed Storage Locker

RRP: \$764.95

4-Door Gym Lockers

For the gym, at school, or at the office, and whenever you need extra space for multiple users, the 4-Door Gym Locker is your affordable storage solution.

Four spacious lockers are arranged in a compact 2 x 2 grid. They're perfect to store a change of clothes, keep valuables, and store other a variety of personal belongings short-term or long-term.

The locker is constructed with solid cold-rolled steel plate for excellent sturdiness and durability, not to mention an attractive look. The steel is also powder-coated to resist corrosion. The locker measures 180 x 76 x 45 cm, and the maximum recommended weight capacity is approximately 30kg per locker. Privacy and security are assured with a simple lock and key design. There are spaces designated for labels to help identify lockers, and air vents are built-in to assure sufficient ventilation. Each lock comes with 2 keys.

For even more storage, consider buying two or more units, which can be placed together for a fully customisable configuration with full assembly instructions included.

Don't delay - purchase your 4-Door Gym Locker today and take advantage of our everyday low price and fast order processing!

Features of Standard Lock with 2 Keys:

Made with heavy-duty metal, this lock is extremely durable and resists corrosion. This secure lock from Salvatore Angelotti will hold up even under heavy use. Its finish resists moisture, making it a great choice for moisture-prone locker rooms with sinks, showers, toilets, and other facilities. Its simple design ensures that users won't have to remember numerical combinations, yet its tough construction protects your lockers

from break-ins.

Reliable and strong, this lock allows you to give one key to the user and keep the other in a safe location, allowing you to access the contents if the user loses the key or leaves without turning in the key. It's an excellent alternative to combination locks for offices, gyms, or schools. Use it at home in your garage to secure valuable tools. Or, use it to lock a locker inside a wardrobe in your bedroom to keep jewellery, coin collections, or other valuable items safe.

Note: Each Lock on the unit will come with two keys. Locker assembly required; instructions and hardware included.
