

Hand Knitted Chunky Blanket Thick Acrylic Yarn Blanket Home Decor Throw Rug - Pink

RRP: \$189.95

Take the chill off those autumn and winter evenings with this comfy hand-knitted throw. Crafted from thick, warm yarn in a gorgeous pink, it will blend in beautifully with almost any colour scheme. And, draped casually over a sofa, chair, or bed, it lends a cosy, homespun vibe to whatever room it's in. Wrap yourself in its warmth and curl up with your favourite book or binge-watch your current TV obsession. It's your invitation to relax. Simply add a glass of wine or a pot of tea and you'll be in your Zen zone in no time.

Although it feels as soft as pricey cashmere, it's actually made from easy-care acrylic. Simply shake it out occasionally, remove any pilling by hand, and it will provide years of warmth and comfort for you and your family. It's the perfect gift idea for newlyweds, wedding anniversaries, housewarmings, special holidays, and new graduates setting out on their own. Don't miss out on this chance to add a bit of warmth to your life or that of a special someone. Get yours today!
