It's every bit as break-in resistant as it looks.

It's also moisture resistant, thanks to a finish that makes it an excellent solution for storage in gyms and swimming pools – anywhere where moisture is an issue. Heavy-duty metal makes it nearly impossible for would-be thieves to crack. It's the perfect lock for lockers in hotels, offices, factories, or even at home. Use it in your garage with its matching locker to stash expensive tools or in a wardrobe to keep coins, jewellery, and other valuables safe.
