

Black Two-Door L-shaped Office Gym Shed Storage Lockers

RRP: \$519.95

Our L-shaped, two-door vertical locker is a specially designed space-saving solution that provides the functionality for clothes and items storage, for 2 users. It's the ideal solution for personal use in the home or an apartment; or stack several units together for business needs like in schools, gyms, or work areas.

The locker has 2 L-shaped compartments, each with a clothing rod so your garments stay wrinkle-free, and still leave ample room for various items. The clothes bar can hold several garments with a combined weight of up to 10kg. Built-in air vents keep your stored items fresh-smelling. You can also customise your locker with a name tag or label in the designated slot provided.

The locker measures 180 x 40 x 45cm and is constructed with steel plates for strength and durability.

The locker can be up and ready in minutes, thanks to the simple assembly design.

Features of 4-Digit Combination Lock:

When airtight security is a must, this four-digit combination lock by Salvatore Angelotti is the perfect choice. With 10,000 different combinations, trying to crack the code will be a near-impossible task! Each order comes with a master key, so you can gain access even if a user forgets the combination. Crafted from heavy-duty premium metal, this lock is sturdy and durable, making it super tough to physically crack. Moisture- and corrosion-resistant, it's an excellent lock for lockers in locker rooms with water features.

It's the ideal option for lockers in gyms, schools, hotels, offices, and other workplaces. Use it on lockers in your garage to secure valuable tools or even in a wardrobe to keep coin collections, jewellery, or other valuables safe inside your home. Simply store the key in a secure location, and you'll have rapid access to items inside the locker if the user leaves or can't remember the combination. Keep your customers' belongings

secure.

Note: Each order (not lock) comes with one master key only, regardless of how many different locker units, quantities or combinations purchased. A master key is sensitive in nature. An additional master key can be purchased on special order only. Locker assembly required; instructions and hardware included.
