RRP: \$124.95

There's nothing like a cast iron frying pan to get the perfect sear on foods. That's why they're many top chefs' number one choice for cooking. This three-pan cast iron frying pan set by Randy & Travis Machinery takes these cooking classics to the next level by pre-seasoning them, allowing you to use them as soon as you open the box. They're the perfect wedding, birthday, holiday, or graduation gift for the cook in your life.

This top-quality cast iron set will become a treasured heirloom, passed down from one generation to the next. Cast iron is as sturdy as you can get – almost unbreakable. Just season it again after you use it a few times – at least several times a year. Rub it all over with oil after each use, and it will give you and your heirs years of use. Cast iron's high heat retention and even cooking capabilities, even at high heat, will make this set of pans your daily go-to for fried chicken, pan-seared steaks, cornbread, one-pan dinners, pancakes, and more. Saute, fry, grill, or even bake whether on your barbeque grill, in your oven, or on top of your stove. Their rugged construction makes them perfect to take along on camping trips, too.
