

Brushed Nickel Stainless Steel Kitchen Cabinet Square Drawer Pull Door Handles 15-Pack

RRP: \$84.95

Upgrade your cabinetry with world-class style with these contemporary drawer pulls by Randy & Travis Machinery. Crafted from hollow stainless steel with a brushed nickel finish, these drawer pulls give your kitchen or bath a designer touch at a fraction of the cost of a complete redesign.

Their minimalist profile provides a subtle touch of class, putting your cabinetry on centre stage. Stainless steel provides strength and rust resistance, ensuring years of service. No matter how many times you change your paint colours, these pulls' neutral tone will blend with practically any colour palette.

Not only do they look great on cabinetry, but they can give older furniture a contemporary upgrade simply by swapping them with the old hardware. Their on-trend colour and finish can transform tired old cabinetry and furnishings into modern showpieces. They're easy to install and come with mounting screws, too. Don't procrastinate a minute longer. A new-looking kitchen awaits. Order yours today
