

## Portable Clothes Rack Coat Garment Stand Bamboo Rail Hanger Airer Closet

RRP: \$184.95

Create a fresh, natural look in your bedroom, entryway, or walk-in wardrobe with this eco-friendly bamboo clothing rack by Randy & Travis Machinery. With five tiers of storage, hooks, a hanging rod, and seven shelves, you'll have plenty of space to organise your entire clothing, accessories, and shoe collections. Crafted from solid natural bamboo, this clothing rack has an uncluttered, Nordic-inspired design that will accent your room's décor. Done in a neutral finish, it will blend in well with the colour scheme in nearly every home.

Ample space between the boards on the shelves provides excellent airflow, keeping your garments, accessories, and footwear fresh-smelling and ready to go. The rack features a thick hanging rod, providing enough strength to support even your heaviest suits, jackets, and coats. This rack isn't only for home use. Its durable construction and minimalist lines make it perfect for retail clothing store displays, cloakrooms for restaurants and pubs, and hanging hotel guests' clothes in their rooms. Whether for your home or your customers, this rack is a gorgeous solution to your clothing storage challenges. Get yours today!
