

## White Cube DIY Shoe Cabinet Rack Storage Portable Stackable Organiser Stand

RRP: \$139.95

Never hunt through a pile of shoes again for the pair you want to wear. With this stackable storage rack by Randy & Travis Machinery, you'll have every pair of shoes neatly tucked away behind closed doors. Made from sturdy metal and high-grade plastic, this shoe organiser can stand up to years of heavy use. It's lightweight, easy to assemble, and easy to store. You can even divide the compartments among various rooms, thanks to its modular construction. With two columns and room for eight rows of shoes, you can house your entire collection inside. Have boots? Simply take out the row divider, and you can stash boots up to 30 cm in height.

And, you can use the top to store your purses, backpacks, or other accessories, so you'll have everything you need to start your day right at your fingertips. Use this rack in your home's entryway, in a bedroom, or inside a walk-in wardrobe as a valuable addition to your current storage system. With its neutral white colour palette, it will go with practically any room in your house. It's the perfect gift for the shoe lover in your life.
