

Rabbit Bunny Cage Hutch Pet Cages Enclosure

RRP: \$549.95

Have some furry friends that live outside but need a place where they can eat, sleep, and nest without worries about predators? Rabbits and other small creatures need a habitat where they feel safe and sound, yet one where they can enjoy the benefits of being out in nature. This bunny hutch is the perfect home for your small pets. Crafted from FSC-certified timber, this pet condo gives them all the security they need without any of the toxins found in lesser-quality hutches. If your bunnies, guinea pigs, or other small pets get the urge to chew, you'll never have to worry. This hutch features non-toxic glue, a water-based finish, and non-toxic elmwood for your complete peace of mind.

Make it a family affair the minute the box arrives at your door. With an easy-to-follow step-by-step assembly guide, even DIY newbies can put this hutch together. Get the kids involved, too. They'll learn valuable life skills and make memories that last a lifetime. Whether it's helping to put the hutch together or taking care of the pets inside, your kids will have a world of fun while learning responsibility. With its easy-clean, pull-out plastic tray, clean-up is a breeze. And, its homey grey-and-white colour palette and rustic design will look fantastic in your backyard or garden. Don't miss out on this opportunity to bond your family together as you take care of your small outdoor pets. Order yours today.
