

## Jumbo Photo Storage Box 1600 4x6 Picture Album Organizer Container Craft Case

RRP: \$94.95

Photos immortalise memories and they keep those we lost preserved in them - for a long time. Moisture, heat, and day to day changes can damage them so a pictures storage box like this from Randy & Travis Machinery will prevent that from happening.

This storage box has a large capacity and compact at the same time. It protects photos from UV rays, insects, dust and moisture. The protective box and picture cases are all made of acid-free materials. The inner cases make organising your photos a breeze too.

The storage box comes with a set of sixteen photo cases, with each being able to hold up to 100 photos. The box is incredibly durable and is closed with a tight vacuum seal. The Jumbo Photo Storage Box 1600 4x6 Picture Album Organizer Container Craft Case is the best tool for keeping your precious pictures safe and sound!
