

Portable Clothes Rack Coat Garment Stand Bamboo Rail Hanger Airer Closet

RRP: \$294.95

If you're short on closet space, you have probably been looking for a suitable solution that is functional yet stylish. This can often be easier said than done, especially if you have a certain aesthetic that you want to maintain in your room.

The Randy and Travis Machinery Portable Clothes Rack may be an ideal answer. With enough hanger space to store your clothing and full-height drawers built into the side, you will have plenty of storage space at your fingertips. The added storage racks at the bottom are perfect for shoes, boxes and other miscellaneous items. Finally, there is an additional shelf at the top of the clothing rack which is beneficial for storing your linens, spare blankets and other bulky items. This bamboo rack comes in a beautiful stained dark wood colour that will look fantastic in any environment.

Features and specifications:
